

## **Assignment Part 1:**

Author: Mithilaesh Jayakumar  
G ID: G01206238

For the Home Page previously submitted, changes have been made by using w3 css template.

The link to the Home Page present in the S3 bucket is below,

<http://mjayakum.s3-website-us-east-1.amazonaws.com/>

In the Home Page a link has been added to the Student Survey Page which is deployed in kubernetes cluster done in Assignment part 2.

There are two HTML pages used in the part 1 of the assignment

index.html ----- > This is designed using a w3 css template.

Error.html ----- > This page contains error message in-case the index page is not reachable.

Images folder ----- > Contains images used in both HTML pages.
